## Welcome

### Come, Now is the Time to Worship

Brian Doerksen, © 1998 Vineyard Songs (UK/Eire) (Admin. by Capitol CMG Publishing (Integrity Music, David C Cook)). CCLI #2605.

**Come, now is the time to worship.  
Come, now is the time  
To give your heart.  
Come, just as you are, to worship.  
Come, just as you are,  
Before your God. Come.**

One day every tongue  
Will confess You are God.  
One day every knee will bow.  
Still the greatest treasure  
Remains for those  
Who gladly choose you now.

**Come, now is the time to worship.  
Come, now is the time  
To give your heart.  
Come, just as you are, to worship.  
Come, just as you are,  
Before your God. Come.**

One day every tongue  
Will confess You are God.  
One day every knee will bow.  
Still the greatest treasure  
Remains for those  
Who gladly choose you now.

*(REPEAT)*

**Come, now is the time to worship.  
Come, now is the time  
To give your heart.  
Come, just as you are, to worship.  
Come, just as you are,  
Before your God. Come.  
Come. Come.**

## A Mighty Fortress

Christy Nockels | Nathan Nockels, © 2009 sixsteps Music, Sweater Weather Music, worshiptogether.com songs (Admin. by Capitol CMG Publishing). CCLI #2605.

Our God is a consuming fire  
A burning holy flame  
With glory and freedom

Our God is the only righteous judge  
Ruling over us  
With kindness and wisdom

**And we will keep our eyes on You  
We will keep our eyes on You**

**A mighty fortress is our God  
A sacred refuge is Your name  
Your Kingdom is unshakable  
With You forever we will reign**

Our God is jealous for His own  
None could comprehend  
His love and His mercy  
Our God is exalted on His throne  
High above the heavens  
Forever He is worthy

**And we will keep our eyes on You  
We will keep our eyes on You**

**A mighty fortress is our God  
A sacred refuge is Your name  
Your Kingdom is unshakable  
With You forever we will reign**

We will keep our eyes on You  
We will keep our eyes on You  
So we can set our hearts on You  
Lord we will set our hearts on You

**A mighty fortress is our God  
A sacred refuge is Your name  
Your Kingdom is unshakable  
With You forever we will reign**

**A mighty fortress is our God  
A sacred refuge is Your name  
Your Kingdom is unshakable  
With You forever we will reign**

**With You forever we will reign  
With You forever we will reign**

Our God is a consuming fire  
A burning holy flame  
With glory and freedom

## Ancient Words

Lynn DeShazo. © 2001 Integrity's Hosanna! Music (Admin. by Capitol CMG Publishing (Integrity Music, David C Cook)). CCLI #2605.

Holy words long preserved  
For our walk in this world  
They resound with God's own heart  
O let the ancient words impart

Words of life words of hope  
Give us strength help us cope  
In this world where'er we roam  
Ancient words will guide us home

**Ancient words ever true  
Changing me changing you  
We have come with open hearts  
O let the ancient words impart**

Holy words of our faith  
Handed down to this age  
Came to us through sacrifice  
O heed the faithful words of Christ.

**Ancient words ever true  
Changing me changing you  
We have come with open hearts  
O let the ancient words impart**

Martyr's blood stains each page  
They have died for this faith  
Hear them cry through the years  
Heed these words and hold them dear.

**Ancient words ever true  
Changing me changing you  
We have come with open hearts  
O let the ancient words impart  
(REPEAT)**

**We have come with open hearts  
O let the ancient words impart**

## Spirit Touch Your Church

Kim Bollinger. © 1990 Integrity's Hosanna! Music (Admin. by Capitol CMG Publishing (Integrity Music, David C Cook)). CCLI #2605.

Lord we need Your grace and mercy  
We need to pray like never before  
We need the power  
Of Your Holy Spirit  
To open heaven's door

**Spirit touch Your church  
Stir the hearts of men  
Revive us Lord  
With Your passion once again  
I want to care for others  
Like Jesus cares for me  
Let Your grace fall upon me  
Let Your grace fall upon me**

Lord we humbly come before You  
We don't deserve of You  
What we ask  
But we yearn to see Your glory  
Restore this dying land.

**Spirit touch Your church  
Stir the hearts of men  
Revive us Lord  
With Your passion once again  
I want to care for others  
Like Jesus cares for me  
Let Your grace fall upon me  
Let Your grace fall upon me  
Let Your grace fall upon me**

# Pastor's Corner

**Getting the Right Lenses:** There's a pair of blue glasses on the market that are purported to make golf balls absolutely glow. Most reviews I've read claim they actually work. One negative review complained they didn't help, "unless your ball is partially visible." Uh ... they didn't claim to be X-ray glasses! The glasses are especially effective in one area: as soon as you put them on other golfers will presume something about the quality of your game.

There are amber glasses that are supposed to help you see at night and through fog. My late brother wore tinted glasses especially calibrated to help with visual acuity and reduce the affects of his dyslexia while reading. He greatly benefited from getting the right lenses. Filtering out specific spectrums of light make certain objects come into sharper focus or give relief.

In these strange days, it's hard to see through the weeds. Many are consumed with ferreting out what forces are driving or influencing the affairs of our world. The bent seems to be that all government is intentionally evil or manipulated by sinister forces. I'm actually not going to argue against that point. Satan is always trying to assert his desires in the world and will use anyone who is willing and available. It is also not wrong to call out organizations and individuals who are promoting blatantly ungodly causes. I would strongly plead one caveat ... that we strive to be people of uncompromising and careful truthfulness. Be sure that your personal filter doesn't become the measure of truth. Don't just post something because it sounds right to you ... check it out. One guy, reviewing the blue golf glasses, complained, "If you wear them all the time, you'll get a headache."

There's only one lens for life that's never lets me down. In fact, most of my headaches come from forgetting to use it. Try running world events through this filter:

*To God belong wisdom and power; counsel and understanding are His. What He tears down cannot be rebuilt; the man He imprisons cannot be released. If He holds back the waters, there is drought; if He lets them loose, they devastate the land. To Him belong strength and victory; both deceived and deceiver are His. He leads counselors away stripped and makes fools of judges. He takes off the shackles put on by kings and ties a loincloth around their waist. He leads priests away stripped and overthrows men long established. He silences the lips of trusted advisers and takes away the discernment of elders. He pours contempt on nobles and disarms the mighty. He reveals the deep things of darkness and brings deep shadows into the light. He makes nations great, and destroys them; He enlarges nations, and disperses them. He deprives the leaders of the earth of their reason; He sends them wandering through a trackless waste.*
